Town of Oakville**

## **Introduction**

The Town of Oakville has a long-standing history of heritage conservation and is known for its well-preserved historic homes and neighbourhoods. This guide is presented to help owners of heritage properties make informed choices about hiring contractors and planning a particular project. Before work begins, please ensure that a heritage permit has been approved for any project on a designated property. In addition to this document, property owners may find the following links useful in their research:
