

Memorial Tree Program Order Form

How to order

Please visit the memorial tree map at oakville.ca to select an available tree for adoption. After choosing your tree, please fill out the order form and record the tree's I.D. number. The town requires a non-refundable deposit of \$282.50. After the tree is planted or adopted and your plaque is installed, the town will invoice you for the remaining balance.

Cost

A five-year contract for a memorial tree is \$2,458.00 plus tax. This initial payment covers the purchase and maintenance of your tree for the first five years, plus a personalized cast bronze plaque. The commemorative plaque, 16cm by 10cm (6" x 4"), is placed at the base of your memorial tree. The town will cover the cost of a one-time replacement if your plaque is stolen or vandalized. Placement of memorial wreaths, flowers or other items on or around the tree is not permitted.

Contract renewal

A contract renewal fee of \$603.00 plus tax (fee subject to change) is charged every five years to cover the cost of regular tree care and maintenance. If you do not wish to renew your contract after five years or we are unable to contact you, the plaque will be removed and the tree will become available for adoption. It is your responsibility to inform our office of any change to your contact information.
